If you are mailing this to everyone for free...

WHY SHOULD I PAY FOR A SUBSCRIPTION?

If you are like almost 14,100* of your neighbors, you enjoy getting Orangevale's Country Journal in your mail box.

And we enjoy sending it to you.
 And our advertisers are pleased that you are seeing, and reading, their messages.

We do not look at a subscription as your "paying" for something you can get for free. We prefer to look at it as your personal message of support for the job we are doing on your behalf... bringing you informatin about our home town; information you can't get anywhere else. The "good stuff" and important positive information that can help you enjoy living here even more.

For only about a buck an issue, and you can save more than that on just one or two of our merchant coupons.
