RESOLUTION NO. _____
RESOLUTION OF INTENTION TO LEVY ASSESSMENTS FOR FISCAL YEAR 2008-09, PRELIMINARILY APPROVING ENGINEER'S REPORT, AND PROVIDING FOR NOTICE OF HEARING FOR THE KENNETH GROVE LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT

WHEREAS, the Board of Directors (the "Board") of the Kenneth Grove Landscaping and Lighting Assessment District, County of Sacramento, State of California, has previously ordered through Resolution 94-05-86A the formation of an assessment district pursuant to the provisions of the Landscaping and Lighting Act of 1972 for the purpose of financing certain park and recreation improvements and refurbishments as specified in the District's updated Master Plan and for the purpose of funding maintenance operations of the District; and **NOW, THEREFORE, BE IT RESOLVED**, by the Board of Directors of the Kenneth Grove Landscaping and Lighting Assessment District, County of Sacramento, State of California, that:

1. On March 13, 2008, this Board adopted Resolution No. 08-03-360, A Resolution Directing Preparation of the 2008-09 Engineer's Report for the Kenneth Grove Landscaping and Lighting Assessment District (the "Assessment District"). Pursuant to this resolution, SCI Consulting Group., the Engineer of Work, prepared a report in accordance with Article XIID of the California Constitution and Section 22565, et seq., of the California Streets and Highways Code (the "Report"). The Report has been made, filed with the Clerk of the Board and duly considered by the Board and is hereby deemed sufficient and preliminarily approved. The Report shall stand as the Engineer's Report for all subsequent proceedings under and pursuant to the foregoing resolution.

2. It is the intention of this Board to levy and collect assessments within the Assessment District for fiscal year 2008-09. Within the Assessment District, the existing and proposed improvements, and any substantial changes proposed to be made to the existing improvements, are generally described as installation, maintenance and servicing of public recreational facilities and improvements, including, but not limited to, turf and play areas, landscaping, ground cover, shrubs and trees, irrigation systems, drainage systems, lighting, fencing, entry monuments, basketball courts, tennis courts, gymnasium, running tracks, swimming pools, other recreational facilities, security guards, graffiti removal and repainting, and labor, materials, supplies, utilities and equipment, as applicable, at each of the locations owned, operated or maintained by the Kenneth Grove Landscaping and Lighting Assessment District.

3. The Assessment District consists of the lots and parcels shown on the boundary map of the Assessment District on file with the Clerk of the Board of the Kenneth Grove Landscaping and Lighting Assessment District, and reference is hereby made to such map for further particulars.

4. Reference is hereby made to the Engineer's Report for a full and detailed description of the improvements, the boundaries of the Assessment District and the proposed assessments upon assessable lots and parcels of land within the Assessment District. The Engineer's Report identifies all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed.

5. The assessments are not proposed to increase from the previous year's assessments. The Board of Directors declares its intent to levy and collect assessments for the fiscal year 2008-09 within said district at an assessment rate of \$12.57 per month or \$150.78 per year per single family residential parcel, apartment unit and/or condominium as set forth in the benefit chart included in the Engineer's Report.

6. Notice is hereby given that on July 10th, 2008, at the hour of 6:30 p.m. at the District offices of the Orangevale Recreation and Park District, 6826 Hazel Avenue, California 95662, the Board will hold a public hearing to consider the ordering of the improvements and the levy of the proposed assessments.

7. Prior to the conclusion of the hearing, any interested person may file a written protest with the Clerk of the Board, or, having previously filed a protest, may file a written withdrawal of that protest. A written protest shall state all grounds of objection. A protest by a property owner shall contain a description sufficient to identify the property owned by such owner. Such protest or withdrawal of protest should be mailed to the Orangevale Recreation and Park District, 6826 Hazel Avenue, California 95662.

8. The Clerk of the Board shall cause a notice of the hearing to be given by publishing a copy of this resolution once, at least ten (10) days prior to the date of the hearing above specified, in a newspaper circulated in the Kenneth Grove Landscaping and Lighting Assessment District.
