Do you know anyone from the Orangevale, Citrus Heights, Fair Oaks, or Folsom area who is serving in any branch of the United States Armed Forces—in any location outside the United States? We would like to recognize them with biweekly mailings of every upcoming issue of Orangevale Country Journal (starting with this issue). For obvious reasons we will not be publishing the names of individual military personnel in the paper, but the papers are addressed to individuals through their Military (APO/FPO) addresses. Yes--all we need is a name, rank, and APO/FPO Address.

THERE IS NO PAYMENT REQUIRED FOR AN INDIVIDUAL TO PARTICIPATE.

This recognition program is covered, in part, by major individual and business supporters from our local areas who subscribe specifically to provide this support. Several subscribers from our free-circulation area (95662) have already opted to change their subscription to do this.

Anyone who has ever served overseas—and especially in a combat area—understands the value of their home-town newspaper to a “local boy” or “local girl.” It is something from home to remind them why they are there.

Our choice of July 4th to start this project is not accidental. It is the day when all of America celebrates our Independence, the beginning of a long war to establish our right to self determination.

Essentially, this is the same war they are fighting, whether the “theater” is friendly or deadly, while serving far away from home.

This is our small way of saying “thank you.”
